

Mount everest flight - 1 Hours

Mountain Flight to Everest

For those who dream of seeing Mount Everest and the Himalayas of Nepal but have limited time, a 1-hour mountain flight from Kathmandu offers an unforgettable experience. Fly over the Sagarmatha region, enjoy breathtaking views of Everest and the surrounding Himalayan peaks, and return to Kathmandu the same day.

Witness over 20 of the world's highest Himalayan peaks, including five of the eight-thousanders: Mount Everest, Lhotse, Makalu, Cho Oyu, and Shishapangma. These 45–60-minute scenic flights usually depart early in the morning from Tribhuvan International Airport in Kathmandu, following an eastward route before returning.

A perfect way to experience Nepal's beauty from above—even when time is limited.
